Dear: Chris A Quintanilla
NEW MEDIA TECHNOLOGY CHARTER SCHOOL
Phone #- 215-769-0340
Application Number- **538000**

Response Due Date: <02/28/07>

The Program Integrity Assurance (PIA) team is in the process of reviewing all Funding Year 2006 Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the Universal Service program. We are currently in the process of reviewing your Funding Year 2006 Form 471 Application. To complete our review, we need some additional information. The information needed to complete the review is listed below.

Program rules require that surveys must, at a minimum, contain the following information: Address of family, Grade level of each child, Size of the family, and Income level of the parents. Based upon review of the survey form that you provided, it has been determined that your survey is deficient because the following required element(s) are missing: <Address of family, Grade level of each child, Size of the family, Income level of the parents>.

Please state whether the missing element(s) are available in another format (such as school records or emergency contact information) and provide a sample of that information, with personal information blackened out. If the survey is missing the income level of the parents, you must also describe the methodology used to determine the income level, and provide a sample of the information used to determine family income, with personal information blackened out. The information should demonstrate that there is a method by which the administrator could associate the two forms (e.g., student name or student ID #).

Your response should be in writing on school letterhead signed by a school official (such as the Principal, Vice Principal, Superintendent or Director of Food Services):

Please refer to the USAC website at:

<http://www.usac.org/sl/applicants/step05/alternative-discount-mechanisms.aspx#3> for

survey guidelines.

Please fax or email the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested **within 15 calendar days** so we can complete our review. **Failure to do so may result in a reduction or denial of funding. If you need additional time to prepare your response, please let me know as soon as possible.**

Should you wish to cancel your Form 471 application(s), or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s). Include in any cancellation request the Form 471 application number(s) and/or funding request number(s), and the complete name, title and signature of the authorized individual.

Thank you for your cooperation and continued support of the Universal Service Program.

Thanks,
