

IT IS CRYSTAL CLEAR that our present pathetic excuse for a government -- the mere handmaiden of Un-American, Prosperity-Gobbling Monster Corporations which have overwhelmingly twisted and abused the undeserved good fortune bestowed on them in "County of Santa Clara v. Southern Pacific Railroad" (1886) -- must STOP handing over all our resources to these unworthy, insatiable, would-be self-foundering PIGS. To be frank, it is CLEAR that the present Administration, more than at any time in our history -- more even than in the Gilded Age of William McKinley -- is outrageously beholden to, and as with virtually all else will gladly lavish the entire range of unexploited airwaves on, the same anti-Progress, fat and lazy corporate gatekeepers that have stifled innovation and competition in Internet markets for a decade. THIS IS *NOT* FREE-MARKET CAPITALISM, it is abject cronyism and Corporate Welfare; and despite the heavy complacency pervading so much of what passes today for public discourse, THE REAL OWNERS OF THIS NATION -- THE PEOPLE, WHOM SO MANY OF YOU ARE TOO CYNICAL TO TAKE SERIOUSLY -- WILL ONLY STAND FOR _SO_ _MUCH_ BEFORE WE SURPRISE YOU WITH A BACKLASH THE LIKES OF WHICH HAS NEVER YET BEEN SEEN IN AMERICA.

To restore America's leadership in high speed Internet services, AND AS A PRELIMINARY, *TOKEN* STEP TOWARD AVERTING WHOLESAL DISASTER FOR THE PARASITIC UPPER ECONOMIC ECHELONS OF THIS COUNTRY, the FCC must ensure that the upcoming AUCTION set aside at least *FIFTY* (50) MHz of spectrum for open and non-discriminatory Internet access. This will guarantee that new entrants have the opportunity to enter the market in competition with the glutted, hyper-saturated incumbent providers with their false sense of entitlement. A SHOCKING DAY OF RECKONING IS COMING FOR THOSE SELF-IMAGINED "POWERS THAT BE" WHICH FAIL TO HEED INCREASING WARNINGS SUCH AS THIS ONE, IF YOU DO NOT *TURN* FROM YOUR TREACHEROUS WAYS AND START TAKING THE COMMON PEOPLE SERIOUSLY. Many of you seem *determined* to push the already over-extended Envelope on nearly every front imaginable, to the point of provoking nothing less than an orderly-and-civilized, yet ABSOLUTELY, SERIOUSLY *FURIOUS* OVERTHROW OF YOUR CUSHY ESTABLISHED ORDER.

Just for starters, in the present example, and near-purely as an *observer* of mounting social discontent, I must warn you that it would be a BIG MISTAKE to hand over these airwaves to the very same self-satisfied and unserviceable phone and cable companies that dominate the wireline market. For our society's own survival, we need TRUE FREE-MARKET CAPITALISM -- BY FAR *MORE* COMPETITION AND INNOVATION -- *not* more of the same government-pampered pillaging of resources that belong *NOT* to *YOU*, but in common to ALL OF US. This new wireless spectrum, like so many other resources which are today being swallowed whole -- oligopolized and monopolized for the ill-gotten gain of the Few -- *must* be made truly OPEN AND NEUTRAL so that America can return to its true entrepreneurial roots and build a better Internet (among other things) for *everyone*. THE ALTERNATIVE WILL BE EFFECTIVE REVOLUTION. -- WAKE UP!! -- BECAUSE THE PEOPLE OF THE UNITED STATES WILL *NOT* ALLOW YOU TO LEAVE US BEHIND.

You have been warned.
