***Re: Notice of Ex Parte Communication in  
WT Docket No. 06-150, WT Docket No. 06-169, PS Docket No. 06-229,  
and WT Docket No. 96-86***

Dear Ms. Dortch:

Yesterday, Chase Carey, CEO of The DIRECTV Group, Inc. ("DIRECTV"), Bruce Churchill, DIRECTV's Executive Vice President and President, New Ventures, Bill Little, DIRECTV's Senior Vice President, Treasurer & Business Development, and I met with Bruce Gottlieb, Legal Advisor to Commissioner Copps. Consistent with DIRECTV's prior submissions, we discussed the 4G Coalition's proposal for the auction of 700 MHz spectrum. We also discussed the importance of setting rules that would encourage nationwide competition to incumbent broadband providers, including the availability of at least some form of nationwide license, sufficient bandwidth for such licenses, and reasonable build-out requirements.

In accordance with section 1.1206(b) of the Commission's rules, I am submitting one electronic copy of this notice in each of the dockets listed above.

Respectfully submitted,
