

Dear FCC, I'm a current satellite customer that does not understand the media negativity surrounding this merger. I want to pay for a service that can offer ALL sports together. In addition, a tiered service would also allow my girlfriend to get her music only stations more cheaply. Why the major backlash in the media and from congress? Put the proper controls on the merger and let it happen. MY FEAR IS THAT CONGRESSMEN WITH SPECIAL INTERESTS WILL DRIVE A NO OUTCOME AND NOT THE PEOPLE! If I don't want to pay in the future, I'll just go back to regular radio or use my ipod. Please don't let politics get in the way!!!
