Marlene Dortch, Secretary
Office of the Secretary, FCC
Federal Communications Commission
445 12th Street, SW Room TW-B204
Washington, DC 20554

Dear Ms. Dortch,:

We, the consumer would get more content for a better price if the merger is allowed and in way is it a monopoly since Sat radio competes with free radio, hd radio, internet radio, ipod's ect.

It's a no brainer and the merger should be allowed.

Sincerely,

Martin C. McCormack
