

I know that Sorenson controls to run everything I disagreed. I would like to see some interpreter depend to live close and able to choose interpreter business than drive too far or travel too much... Let Interpreter have their right choose from a few vrs business... I believe that they need to be close where they live... one of my interpreter who moved other place since her husband who serve his military duty and she drove too far than previous time.. I let you help vrs right to choose... Thanks...
