Re: Notification of *Ex Parte* Communication
WT Docket Nos. 96-86, 06-150, 06-169; PS Docket No. 06-229

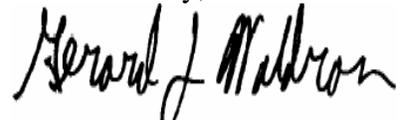

Dear Ms. Dortch:

This letter is to report a permitted, oral *ex parte* communication of Frontline Wireless, LLC (“Frontline”) concerning the above-referenced proceedings.

On June 19, 2007, Gerry Waldron and Stagg Newman met with Julie Knapp, Ron Chase, Ron Repazi, Mark Settle, and Salomon Satche. In the meeting, the parties discussed Frontline’s Public Safety Deployment Plan and the many benefits the public/private partnership proposed by Frontline would provide the public safety community. Further, the parties spoke about Frontline’s commercial provisions designed to promote innovation, competition, roaming and rural services. Finally, they discussed whether the Commission’s small business credit policies should be withheld from the E Block auction.

Please direct any questions concerning this matter to the undersigned.

Sincerely,

Gerard J. Waldron
*Counsel to Frontline
