**Re: *Ex Parte* Presentation
WT Docket No. 06-150 – “700 MHz Service Rules”**

Dear Ms. Dortch:

On June 21, 2007, Tom Dombrowsky of Wiley Rein and the undersigned met with Julius Knapp, Ron Chase, Ahmed Lahjouji, and Salomon Sathe of the Office of Engineering and Technology to discuss Verizon Wireless' Petition for Reconsideration of the Commission's recent 700 MHz *Report and Order*. In that petition, Verizon Wireless seeks relatively minor changes to the FCC's 700 MHz power rules to promote technology neutrality and greater uniformity across the 700 MHz spectrum.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket. Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

VERIZON WIRELESS
