Dear FCC:

Â the companies should be allowed to merge because one or both may go out of business if they do not.

there is too much competition with I pods, I phones, terrestrial radio, HD radio, internet radio, etc.

They will be tempted to out bid each other for premier brodacating rights (NFL, NBA, MLB, Nascar, etc) which will harm the cusumer because the cost will eventually be passed along to us the customers

Who know what the future holds in regard to radio, but Satellite radio should be allowed to be an option

Sincerely,

Mark Thompson
