

Once I was a proud employee of the FCC

My old Agency has sold its soul to the highest bidder. This result has been to subjugate our population to censorship so that only by listening to the BBC MHZ Algezeera do we know what is going on outside Hollywood

shame on each of you

Comcast has misbilled me , lied to me knowing that in many cases it has a monopoly (in our case the only service available in Leisure World and hundreds of other community complexes).

If you would watch Mike Moore's Fahrenheit you would understand what is happening to us every day as we sink deeper into the framing sink holes losing our "pusuit of happiness" ability
