

Keep the Internet free from greedy corporations. They should not be its gatekeepers. The internet is a system of roads and communities that we, the people, built. The new wireless spectrum must remain OPEN and NEUTRAL so that Americans can continue to innovate and grow in this world wide network.

It would be a HUGE mistake to hand over these airwaves to the very same phone and cable companies that dominate the wireline market. We need more competition and innovation, not more of the same. This new wireless spectrum MUST BE OPEN AND NEUTRAL so that America can build a better Internet for everyone.
