Re: Notification of *Ex Parte* Communication
WT Docket Nos. 96-86, 06-150; PS Docket No. 06-229

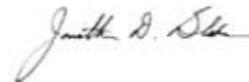

Dear Ms. Dortch:

This letter is to report a permitted, oral *ex parte* communication of Frontline Wireless, LLC (“Frontline”) and its counsel concerning the above-referenced proceedings.

On July 12, 2007, Janice Obuchowski, Haynes Griffin, Ram Shriram, Jonathan Blake and Gerry Waldron met with Chairman Kevin J. Martin and his legal advisor, Erika Olsen. The parties discussed the need for a wholesale condition to be combined with open access in order to achieve the goals that the open access condition would be intended to promote. The parties also spoke about the benefits that an open access wholesale network would provide for public safety on a shared public-private network. Finally, the parties discussed the characteristics of a possible 22 MHz open access C Block.

Please direct any questions concerning this matter to the undersigned.

Sincerely,

Jonathan D. Blake
Counsel to Frontline
Wireless, LLC
