Re: WT Docket Nos. 96-86, 06-150 and 06-169;
PS Docket No. 06-229
Ex Parte Notice

Dear Ms. Dortch:

On June 18, 2007, Andrew Rein, Gunnar Halley, and the undersigned, on behalf of Access Spectrum, LLC, and Cheryl Crate, on behalf of Pegasus Communications Corporation, met with Richard Arsenault, Linda Chang, David Horowitz, David Hu, Elizabeth Lyle, Cathleen Massey, and Paul Moon. Mark Pagon, on behalf of Pegasus Communications Corporation, participated in the meeting by telephone. Access Spectrum and Pegasus discussed the timing and sequence of events necessary to accomplish the Upper 700 MHz spectrum re-packing proposed in their written submissions in the above-referenced proceedings. Access Spectrum stated that the relocation of its existing customers' operations would require additional equipment authorizations. In addition, customer systems would have to be re-tuned to the new frequencies. One approach to effectuate the migration would be to modify Access Spectrum's licenses but grandfather its customers' existing operations on the current frequencies for the period of time necessary to obtain the necessary equipment authorizations and accomplish the equipment re-tuning.
