Re: **Ex Parte Presentation**
CG Docket No. 03-123

Dear Ms. Dortch:

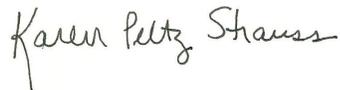

By this letter, CSDVRS, LLC wishes to again express its support for a three-year, tiered rate methodology for VRS. CSDVRS proposes that the tiers for this rate structure be set as follows per calendar month:

1-100,000 minutes to be reimbursed at a rate of \$6.77/minute
100,001-1 million minutes to be reimbursed at a rate of \$6.50/minute
over 1 million minutes to be reimbursed at a rate of \$6.30/minute.

While CSDVRS cannot speak for other providers, it is our understanding that most of the other VRS providers will not oppose adoption of this proposal. Sprint Nextel has informed CSDVRS that it will not comment on this proposal at the present time.

In addition, CSDVRS does not oppose subjecting each of the tiered rates to the price cap plan originally proposed by seven of the providers (including CSDVRS), and summarized in Sprint Nextel's ex parte letter of June 27, 2007.

Sincerely,

Karen Peltz Strauss
Legal Consultant, CSDVRS, LLC
