

Guys , I am old enough to remember when The MSM actually had some credibility along with respectability !! In those days we even had a great multiplicity of voices sans any duplicity of intent !!

If Edward R. Murrow said so you KNEW that it was so !!

One never doubted the honesty of Walter Cronkite or the integrity of Huntley and Brinkley !!

Until Bushie and his NAZIs started to destroy The CPB , NPR and PBS we could always rely upon The MacNeil - Leher news broadcast !!

We had a great diversity of voices !! Today we have a homogeneity of LIES !! The MSM has been Raped , Pillaged , and Plundered by self - serving Corporarte Interests , some of whom are even War Profiteers !!

Their vested interests can hardly serve The Public Weil and are often at great variance !!

Once upon a time there were limits upon the concentration of news outlets in any one market !! Those were scuttled by the express orders of Rupert Murdoch !! I can only imagine that the wise and prudent prohibitions against Foreign Ownership must have been secretly disposed of at his demand as well !!

Today he is even scheming to snag one of Our Nation's most highly respected institutions , "The Wall Street Journal" !! THAT TRAVESTY MUST NOT STAND !!

Today we have NO confidence in The MSM !! Honesty and Integrity have been replaced by Limbaugh The Hutt et al !! Even Miklaszewski of NBC is now embroiled in an affaire notourious as he snagged some 30 Grand to deliver an address against a presidential candidate !!

Edward R. Murrow must now be haunting the parapets as we near the midnight hour , wringing his hands and bemoaning the great depths to which his once honoured profession have now sunk !! Who is going to provide balm for his greatly wounded spirit ?!?!??

That Ladies and Gentlemen is NOW YOUR MISSION !!

Hopefully you may restore some now lost Honour , Integrity , and
Truth !!
