RE: WT Dockets 06-150, 06-169, 96-86, PS Docket 06-229

Dear Ms. Dortch:

Pursuant to Section 1.1204(a)(10) of the Commission's rules, this is to inform the Commission that on July 30, 2007, Chief Derek Poarch of the Public Safety & Homeland Security Bureau contacted the undersigned by telephone to request clarification of APCO's position in the above-captioned proceedings. Specifically, in response to Chief Poarch's question, I indicated that APCO and its public safety allies would oppose a rule prohibiting a single entity from obtaining both the C Block and the D Block licenses. I indicated that such a rule would be inconsistent with our view that there not be constraints on potential bidders for the D Block spectrum that are not directly related to public safety requirements. On July 31, 2007, prior to the start of the Commission's public meeting, Bruce Gottlieb of Commissioner Copps' office sought the same clarification and I provided the same response.

Please contact the undersigned should the Commission require any additional information regarding this matter.

Respectfully submitted,

/s/
