2006 Biennial Regulatory Review of Regulations Administered by the Wireline Competition Bureau, WC Docket No. 06-157

In the Matter of IP-Enabled Services, WC Docket No. 04-36

Dear Ms. Dortch:

Today, Ms. Leslie Owsley and I met with Mr. Chris Miller of Commissioner Tate's office. We emphasized that since the initiation of the proceeding (Docket No. 02-112) that addresses what, if any, requirements should be imposed in a post 272 Sunset environment, there have been significant developments in the communication industry. The positions discussed are consistent with those in the Verizon ex partes filed on February 15 and March 29.

Please let me know if you have any additional questions.

Sincerely,

A handwritten signature in black ink that reads "Dee May".
