Re: Notification of *Ex Parte* Communications  
WT Docket Nos. 96-86, 06-150; PS Docket No. 06-229

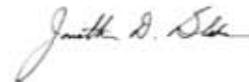

Dear Ms. Dortch:

This letter is to report permitted, oral *ex parte* communications of Frontline Wireless, LLC (“Frontline”) concerning the above-referenced proceedings.

On August 13, 2007, Reed Hundt met with Chairman Kevin J. Martin and separately spoke with Daniel Gonzalez, the Chairman’s Chief of Staff. Today, Mr. Hundt met with Commissioner Jonathan S. Adelstein. In these meetings the parties discussed the obstacles facing new entrants based on the rules adopted in the 700 MHz *Report and Order* and the importance of eliminating such impediments. Mr. Hundt stressed that one of the most problematic obstacles in the Commission’s rules is that the DE credit does not apply to otherwise eligible small businesses who wish primarily to operate as wholesalers in the public interest.

Please direct any questions concerning this matter to the undersigned.

Sincerely,

Jonathan D. Blake  
*Counsel to Frontline  
Wireless, LLC*
