**Re: WT Docket No. 07-16 and WT Docket No. 07-30 – Notification of Oral Ex Parte Presentation**

On August 13, 2007, I had a telephone conversation with Renee Crittendon, Legal Advisor to Commissioner Jonathan S. Adelstein. The discussion involved the status of M2Z's pending license application and forbearance petition and the detailed nature of the record before the Commission. Also discussed were the public interest benefits that will result following an analysis of the record and a grant of a license for M2Z to provide the National Broadband Radio Service.

Please let me know if you have any questions regarding this submission.

Sincerely,
