Federal Communications Commission  
Office of the Secretary

Re: *Application of News Corporation, The DIRECTV Group, Inc., and Liberty Media Corporation for Authority to Transfer Control (MB Docket No. 07-18)*

Dear Ms. Dortch:

On August 3, 2007, The DIRECTV Group ("DIRECTV") submitted documents in response to the Commission's Initial Information and Document Request dated June 15, 2007 (the "Request"). Unfortunately, due to a miscommunication with our copying contractor, those documents were numbered incorrectly, in that documents designated at different levels of confidentiality (Highly Confidential, Confidential, Public) responsive to each item in the Request were numbered duplicatively. Accordingly, DIRECTV hereby submits replacement documents to rectify this error.

More specifically, we are today filing a corrected version of those documents classified as Public and Confidential. These documents are identical to those submitted August 3, except that they have been renumbered. When combined with the Highly Confidential documents already submitted, this should constitute a complete, consecutively numbered filing. (As discussed with Commission staff, we continue to search the relevant files, and will submit additional filings as necessary on a rolling basis.)

The corrected documents are now numbered continuously according to their responsiveness, e.g. documents responsive to Request II.G are numbered from DTV-II.G-000001 to DTV-II.G-005743, with the Bates range beginning at the Highly Confidential documents, proceeding through Confidential documents, and ending at the Public documents. Attached hereto as Exhibit A is a corrected list of documents broken down by confidentiality, request, and custodian.

If you have any questions, please do not hesitate to contact us.
