To: The Commission (filed electronically)

PETITION FOR LEAVE TO FILE LATE COMMENTS

1. The Community Broadcasters Association ("CBA") hereby requests leave to file Comments in this proceeding one day late. The Comments are being submitted simultaneously with this Petition.

2. The delay results from the fact that coordination and approval with a CBA official in the Pacific Time zone was not completed by 11:59 p.m. on the due date of August 15, 2007.

3. If the Commission is unwilling to accept Comments one day late, it is requested that this filing be considered as Reply Comments in support of other parties that have urged the Commission to allow licensees increased discretion to relinquish their analog channels prior to February 17, 2009.
