

Please remember that diversity of information and opinion is essential to freedom of information, Freedom of information-flow is essential to a well-functioning democracy. It is un-American to allow the wealthy to buy up so many media outlets, especially radio, that they can dominate the information and opinion of this country.

Equal access to the eyes and ears of the Nation is best for all. Even the wealthy benefit in the long run if the truth can be heard. Please don't allow anyone or any company or group to own more than ONE radio station in any one area, let alone 10!!!
