Dear Commissioner;

Re: MM Docket No. 95-31

I urge you to limit the number of applications for the NCE FM licenses to not more than ten (10) by any one party. This should level the playing field and avoid the perception that big money and deep pockets can control the media. There are any number of smaller and less well funded organizations that would like to obtain a license and do not have the funding of the larger organizations. Let's give them a chance.

Thanks and regards,

Jan Davis
