Kevin,

I wish there was a way to bring Tom Joyner back to San Antonio. He kept us updated with all the latest news for us African Americans and always helping people. I truly miss him with tears in my eyes and pray that maybe God will answer my prayers to bring him back. If we want change we have to be the change we want. When you're down to nothing God is up to something. Take care and may God continue to bless you with peace and happiness.

Sincerely,

Yolanda Grant
