

December 10, 1990

One Stop Financial  
198 Colonial Dr.  
Little Falls, NJ 07424

Dear Sir:

AT&T is announcing procedural revisions in serving Aggregators that will take effect January 1, 1991. As the holder of a Multi-Location WATS (MLW) service plan, and/or 800 Revenue Volume Pricing Plan (RVPP)/Customer Specific Term (CSTP) you are the AT&T customer for all locations that you have designated for inclusion under your discount plan. The purpose of this package is to explain these changes and clarify your role in interacting with AT&T.

Once a location signs up for service under your plan, you have assumed responsibility to AT&T for that location. As a result, that end-user loses his status as a customer of AT&T, giving control of the aggregated BTN (Billing Telephone Number) to you, the Aggregator, including the authority to add, delete, or change service for that BTN. Accordingly, AT&T will honor all order activity related to a BTN included in your discount plan only from you --the service plan holder.

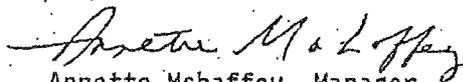

As part of these changes, AT&T has created a dedicated organization to process orders for you. Starting January 1, 1991, all requests for service under your plan should be directed through this organization. It is our belief that these changes will allow you to better serve the needs of your customers.

The enclosed package provides detailed information of the revisions that are being implemented. Included is important information on:

- Policy Guidelines
- Order Processing
- Tariff Information
- Use of the AT&T Name and Trademark
- Billing and Collections

An AT&T Representative will contact you to discuss how to request service for an end-user location, and the correct way to fill out and process the required forms.

If you have any questions, you can contact us at 1-800-233-6667.

  
Annette Mchaffey, Manager  
Marketing Delivery Center

## **2.4. RESPONSIBILITIES OF THE CUSTOMER**

**2.4.1. General** - The Customer's general responsibilities are described in this section. When Customer Equipment or Customer-provided communications system is connected to WATS, the Customer assumes additional responsibilities that are described in the Connections section of this tariff (see Connections, page 36).

**A. Placement of Orders, Payment of Bills and Compliance with Regulations** - The Customer is responsible for placing all orders and complying with tariff regulations for WATS and for assuring that its Users comply with tariff regulations. The Customer is also responsible for the payment of bills for WATS. The Customer may appoint an agent to act on its behalf, as specified in B. following.

**1. Information the Customer Must Provide** - When a Customer places an order for WATS, the following information must be provided so the Company can design, install and maintain the WATS ordered except as specified in Sections 3.3.1.M, 3.3.1.N and 3.3.1.O.

- The contact name, telephone number, and address at each premises where installation will be made,
- The billing name and address,
- The particular service or service component desired as specified in the specific service sections of this tariff,
- Information regarding Customer-provided equipment as specified in Part 68.106 of the FCC Rules and Regulations - (Notification to telephone company),
- The contact name, telephone number and address of the Customer's Responsible Organization,
- The Customer must notify AT&T of any changes in the Customer's Responsible Organization in writing within 48 hours of the change.
