Re: Limiting number of applications per entity

Dear Chairman and Commissioners:

I am enclosing copies of this letter for the Chairman and each of the Commissioners as well as the leaders of the audio division.

I urge you to limit the number of applications from a single entity to no more than ten (10) applications.

This is only fair to local interests who want local programming, but do not have the "deep pockets" required for multiple filings. Local ownership by new groups is democracy at its best.

Please help "level the playing field" by limiting to ten or less the number of applications which can be filed by a single entity.

Sincerely,

Jennifer Davidson
Audio Division Chief Peter Doyle
Deputy Audio Division Chief James Bradshaw

Commissioner Michael J. Copps
Commissioner Jonathan S. Adelstein
Commissioner Deborah Taylor Tate
