Re: WT Docket No. 07-54, *Antenna Requirements for the 10.7 – 11.7 GHz Band*
***Ex Parte* Communication**

Dear Ms. Dortch:

On behalf of FiberTower Corporation and the Fixed Wireless Communications Coalition, I am electronically filing this *ex parte* notice to report oral communications pursuant to Section 1.1206(b)(2) of the Commission's Rules.

Yesterday I met briefly with Fred Campbell and Cathy Massey of the Wireless Telecommunications Bureau. Today I spoke briefly by telephone with Bruce Gottlieb of Commissioner Copps's office. In each conversation, I explained that FiberTower Corporation and the Fixed Wireless Communications Coalition affirmatively support adoption of language proposed by Mobile Satellite Ventures LP on August 30, as set out on FiberTower's and the FWCC's recent *ex parte* filings, *in lieu* of a Further Notice of Proposed Rule Making.

Please do not hesitate to call with any questions.

Respectfully submitted,

Mitchell Lazarus
