Re: Ex Parte Notice; WC Docket Nos. 06-125 and 06-147

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, COMPTEL hereby gives notice that, on September 6, 2007, Jerry James, Jonathan Lee, and the undersigned of COMPTEL met with Scott Deutchman, Legal Advisor to Commissioner Copps, with regard to the above-referenced proceedings. In the meeting, the COMPTEL stressed that the petitions at issue in the above-captioned dockets should be denied for vagueness, lack of sufficient evidentiary support, and other infirmities. COMPTEL noted that the record established by the petitioners is limited to interstate interexchange markets, not interstate access markets, and the petitions do not justify relief beyond that which the Commission provided in its *Report and Order*, released August 31, 2007, concerning the provision of in-region long distance services by Bell Operating Companies.¹ The Commission should therefore dismiss the petitions as moot with regard to the interstate interexchange services covered by that *Report and Order*, and deny the petition as to any other relief sought by the petitioners.

Sincerely,
/s/ Karen Reidy

cc: Scott Deutchman
