Re: Recommendations of the Independent Panel Reviewing the Impact of Hurricane Katrina on Communications Networks; EB Docket No. 06-119; WC Docket No. 06-63; FCC 07-107

Dear Ms. Dortch:

This is to inform you that on September 5, 2007, I represented USTelecom in an ex parte meeting with Chief Derek Poarch, Lisa Fowlkes and Tim Peterson of the Public Safety and Homeland Security Bureau. The purpose of this meeting was to discuss USTelecom's Petition for Reconsideration in this proceeding. In the course of this meeting, USTelecom described how it's members deployed back-up power in their networks to ensure that these networks can continue to provide emergency services in the event of commercial power outages.

Pursuant to Commission rules, please include this notice in the record of the above-referenced proceeding.

In accordance with FCC Rule 1.1206(b)(2),¹ I am filing this *Ex Parte* Presentation with the Commission electronically for inclusion in the public record. Please feel free to call either me or Kevin Rupy (202) 326-7276 with any questions.

Sincerely,

Glenn T. Reynolds
Vice President, Policy
