

DECLARATION OF ALI KUZEHKANANI

I, Ali Kuzehkanani, under penalty of perjury, declare the following:

1. I am a Telecommunications Electrical Engineer and employed by the firm of Lukas, Nace, Gutierrez & Sachs, Chartered.

2. I graduated from George Washington University, Washington, D.C., with a Bachelor of Science degree in Electrical Engineering.

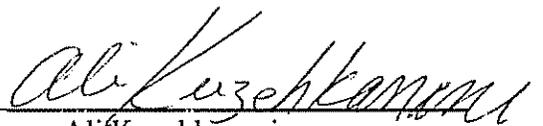

3. I have been retained by East Kentucky Network, LLC (“EKN”) to evaluate the incumbent Broadcast licensees and applications that may affect the buildout of Lower 700 MHz channel C buildout in CMA 450 market (Kentucky 8 – Mason). EKN is the licensee for the Block C channel in the lower 700 MHz spectrum in CMA 450 (Call Sign: WPWV281).

4. The attached Figure 1 is a map showing the market boundary for CMA 450. Also shown there are the service area contours for the licensed/pending incumbent broadcast stations that have service areas overlapping EKN’s market. The list of incumbents was provided by FCC’s Due Diligence list. Below is a list of the two incumbents:

- WCVN-TV (License - Channel 54 located in Covington, KY)
- WOWK-DT (Application – Channel 54 located in Huntington, WV)

5. As shown on the attached Figure 1, the two incumbent co-channel parties prevent EKN from providing service throughout CMA 450. EKN may only be to provide coverage to a portion of its market in order to protect the incumbent parties.

6. The above statement is true and correct to the best of my knowledge and belief.

Ali Kuzehkanani
