Re: *Ex Parte Presentation in WC Docket Nos. 04-440, 06-125, and 06-147*

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, Steptoe & Johnson LLP, on behalf of our client, XO Communications, hereby submits this letter summarizing an ex parte presentation from yesterday in the above-referenced dockets. Thomas J. Bliley and James D. Barnette met with Commissioner Adelstein and Scott Bergman to provide an overview of XO Communications' position on the current wireline proceedings relating to the above referenced forbearance petitions. Our discussions were consistent with previous filings in the above-referenced proceedings stressing that the Commission should refuse to grant forbearance petitions that would be anti-competitive and ultimately harm consumers.

Respectfully submitted,

James D. Barnette
Counsel for XO Communications, LLC
