Re: Notification of *Ex Parte* Communication
WT Docket Nos. 96-86, 06-150; PS Docket No. 06-229; AU Docket No. 07-157

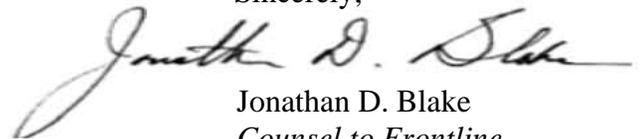

Dear Ms. Dortch:

This letter is to report a permitted, oral *ex parte* communication of Frontline Wireless, LLC ("Frontline") concerning the above-referenced proceedings.

On September 18, 2007, Greg Rosston met with Greg Crawford, the Commission's Chief Economist, and Evan Kwerel from the Office of Strategic Planning and Policy Analysis. In the meeting the parties discussed the reserve prices placed on both the C and D Block and the fact that these prices must be lowered in order to accomplish the Commission's objectives. Further, the parties discuss other auction issues including the importance of package bidding and allowing substitution from the D to C Block. Finally, the parties spoke about the need to decrease the bidding increments, particularly for the larger blocks. The attached presentation was handed out in the meeting.

Please direct any questions concerning this matter to the undersigned.

Sincerely,

Jonathan D. Blake
Counsel to Frontline
Wireless, LLC
