Re: Notice of Ex Parte Presentation

**In the Matter of Stratos Global Corporation and Robert M. Franklin,
Trustee WC Docket No. 07-73, DA 07-2257**

Dear Ms. Dortch:

On September 20, 2007, Andrew Sukawaty, Chairman and CEO, Inmarsat, and Diane Cornell, Vice President, Government Affairs, Inmarsat met with Aaron Goldberger, Wireless and International Advisor to Chairman Martin.

Mr. Sukawaty provided a general update on several issues, and discussed recent Inmarsat business developments, including the upcoming launch of the third I4 satellite and the service offerings that will be made available over the I4 satellites. In addition, Mr. Sukawaty generally reviewed the status of the transaction's regulatory approvals internationally and in the United States. He also explained the history of Inmarsat's relationship with its distributors, including the genesis of the contractual arrangements that prevent Inmarsat from distributing directly to end users, and its relevance to the above-captioned proceeding.

Sincerely yours,

/s/

Diane Cornell
