Re: *Ex Parte* Submission  
MM Docket No. 92-264

Dear Ms. Dortch:

Comcast Corporation ("Comcast"), pursuant to its letter of September 22, 2003, hereby notifies the Commission that, between March 22, 2007 and September 21, 2007, Comcast closed the following transactions:

Acquisitions: (1) Acquisition of a SMATV system in Colorado serving 250 subscribers from American Com, LLC on March 30, 2007; (2) acquisition of a CATV system in Pennsylvania serving 935 subscribers from Community Television Systems, Inc. on March 31, 2007; (3) acquisition of a CATV system in Pennsylvania serving 1,339 subscribers from Eagles Mere/Laporte Cablevision, Inc. on April 30, 2007; (4) acquisition of a SMATV system in Virginia serving 481 subscribers from Lamont Digital System, Inc. on June 8, 2007; (5) acquisition of a SMATV system in Mississippi serving 574 subscribers from Americas Communications, LLC on June 28, 2007; (6) acquisition of a CATV system in Michigan serving 1,758 subscribers from City of Lowell, MI on June 29, 2007; (7) acquisition of a CATV system in Colorado serving 1,674 subscribers from Champion Broadband, LLC on July 31, 2007; and (8) acquisition of a CATV system in New Jersey serving 80,456 subscribers from Patriot Media and Communications CNJ, LLC on August 31, 2007.

Sales: Sale of a CATV system in Utah serving 300 subscribers from Comcast of California, Inc. and Comcast of Utah to Direct Communications, LLC on March 30, 2007.

Based on Comcast's second quarter subscriber numbers, available data for its partnership subscriber numbers, and assuming the most inclusive interpretation of the Commission's attribution rules, after accounting for the above transactions and adjusting for subscriber growth, Comcast estimates that it is attributed with approximately 26,259,049 MVPD subscribers or approximately 27.1% of all MVPD subscribers.<sup>1</sup>

---

<sup>1</sup> See Kagan Research LLC, *Kagan Media Index, Kagan Media Money*, January 23, 2007, at 5 (noting that there are approximately 96.8 million MVPD subscribers nationwide, thus  $26,259,049 \div 96,800,000 = 27.1\%$ ).

Ms. Marlene Dortch  
Secretary

Although it is unclear whether Comcast is obligated to notify the Commission of these transactions or their effect on its MVPD subscribers (in light of the D.C. Circuit's decision in *Time Warner Entertainment Co. v. FCC*<sup>2</sup>), Comcast nonetheless is providing the details of these transactions for the Commission's convenience.

Sincerely,

/s/ Peter H. Feinberg  
Peter H. Feinberg
