Kansas Relay Center

TRS Contract Status

Hamilton Telephone Company d/b/a Hamilton Telecommunications is operating the Kansas Relay Center under contract with KRSI. The term of the contract is effective May 1, 2007 through April 30, 2012.

Hamilton provides TRS service for the State of Kansas from a center located at 8383 Greenway Boulevard, Suite 90, Middleton, Wisconsin.

The Kansas Relay Center provides relay users with a complete relay service package which includes all features and services as listed in Appendix A of this filing, including a “self-learning” database that captures speed of equipment for each customer on the first initial call through the relay. Error Correcting software, Carrier of Choice, a variety of call types using VCO and HCO, a customer profile database and much more are part of the KRC’s relay package. Training for Communication Assistants is continual. KRC also has developed an extensive outreach program for the State of Kansas. The Outreach Team in Kansas hosts user group meetings, focus group meetings, present relay information at conferences, attend and host organizational meetings and other related workshops for both hearing and non-hearing groups, give in-home demonstrations, answer questions and perform many other important outreach functions. For a complete list of the types of outreach activities Hamilton has completed, please refer to Appendix G.
