**Re: Mobile Satellite Ventures Subsidiary LLC
Ex Parte Presentation
WT Docket No. 01-289**

Dear Ms. Dortch:

On September 27, 2007, Jennifer A. Manner, Vice President, Regulatory Affairs of Mobile Satellite Ventures Subsidiary LLC (“MSV”); Thomas S. Tycz, Senior Policy Advisor of Goldberg, Godles, Wiener, and Wright; and the undersigned met with Scot Stone and Jeff Tobias of the Wireless Telecommunications Bureau, and Stephen Duall, Karl Kensinger and Paul Locke of the International Bureau. MSV expressed positions consistent with those stated in its Reply Comments filed on April 5, 2007 in the above-referenced proceeding. In addition, MSV discussed its position that any allocation to AMS(R)S in the bands 1525-1544 MHz/1626.5-1645.5 MHz would be inconsistent with the United States Government proposal to the upcoming World Administrative Radio Conference.

Please contact the undersigned with any questions regarding this matter.

Sincerely,

/s/Bruce D. Jacobs
