Re: MB Docket No. 07-18

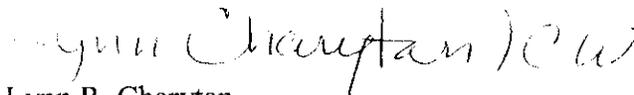

Dear Ms. Dortch:

On behalf of Liberty Global, Inc., please find attached 4 boxes containing redacted material to be filed in response to FCC Industry Analysis staff's requests for translations of material previously filed with the FCC. The material filed is in response to FCC Request No. II.H, Bates Nos. Range: 002222-024514, 002505-003559, 020919-022000, 022004-022213, 022345-022991, 001972-001756, 024498-027424, 001333-001756, 023000-024042 and 024043-024305. Bates numbers which end with an "E" designate a translation. Two additional boxes, containing the confidential version of this material, are being filed simultaneously with the redacted sets.

In addition Liberty Global is filing confidential and redacted sets of its responses to the FCC's information request and the privilege log. This material is in separate envelopes in Box 1 of the original redacted set.

Pursuant to the Commission Orders issued in this proceeding, a set of this material will also be filed today with William Beckwith, Industry Analysis Division, Media Bureau. Should there be any questions, please do not hesitate to contact me at the number given above.

Respectfully submitted,

Lynn R. Charytan
