SWORN DECLARATION OF JASON BONE

1. My name is Jason Bone. I am the Chief Engineer of En-Touch Systems, Inc. ("En-Touch"). I declare under penalty of perjury that the facts contained in this Declaration are true and correct to the best of my knowledge, information, and belief, and that I am authorized to give this Declaration on behalf of En-Touch.

2. Pursuant to paragraph 62 of the Memorandum Opinion and Order ("Order") issued by the Bureau in this proceeding on June 29, 2007, En-Touch hereby confirms by this sworn declaration it has (1) notified all of its analog customers of its plans to go all-digital at least six months in advance of that event, and (2) it has in its inventory or has placed orders for enough set-top boxes to ensure that each of its customers can continue to view its video programming on their television sets.
