

I am appealing a \$100 late fee. I filed my 499A form on 3-29-07. I was contacted by usac that my form had arrived at wrong address. As a payphone co. we are a minimis filer. The usac rep. said it was ok and helped w/ correct address. A \$100 late fee on a zero balance is unfair, cruel and unusual. We cannot afford this. As it is payphones are being driven from the marketplace because at&t pays us 7 months late! Please waive this late fee as it is unreasonable. Mike Simon filer id # 809302
