Re: MB Docket No. 07-18

Dear Ms. Dortch:

On behalf of Liberty Global, Inc., please find attached four boxes containing redacted material to be filed in response to FCC Industry Analysis staff's request for translation of material previously filed with the FCC. On September 20, at staff's request, we submitted English translations of various Spanish-language documents that previously had been filed on July 26, July 27 and August 6 of this year; we also refiled the underlying Spanish-language documents. The current filing contains the identical documents; however, at Staff's direction, they have been reorganized so that each English translation now is physically attached to the corresponding Spanish document. Two additional boxes, containing the confidential version of this material, are being filed simultaneously with the redacted sets.

Pursuant to the Commission Orders issued in this proceeding a set of this material will also be filed today with Elizabeth McIntyre, Industry Analysis Division, Media Bureau. Should there be any questions, please do not hesitate to contact me at the number given above.

Respectfully submitted,

Lynn R. Charytan
