REPLY COMMENTS OF IDAHO INDEPENDENT TELEVISION, INC.

Idaho Independent Television, Inc. (“IIT”), licensee of KTRV-TV, Nampa, Idaho, by its attorneys and pursuant to Sections 1.415 and 1.420 of the Commission’s Rules (47 C.F.R. §§ 1.415, 1.420), hereby respectfully submits these reply comments in response to the *Eighth Further Notice of Proposed Rule Making* (“Notice”) in the above-captioned proceeding, released by the Commission on August 6, 2007. The *Notice* seeks comment on, *inter alia*, IIT’s request, as set forth in its *Comments* filed on July 17, 2007 (“*Initial Comments*”), that the Commission amend Section 73.622(i), the post-transition DTV Table of Allotments, by substituting Channel 13 as the station’s post-transition tentative channel designation (TCD) in lieu of Channel 12 and changing KTRV-DT’s post-transition antenna ID to 28309. On October 10, 2007, IIT timely filed comments supporting the *Notice* and confirming its continued desire to continue to operate KTRV-DT on Channel 13 at the end of the DTV transition as currently constructed (“*October 10 Comments*”). No other party has filed comments or objected to the proposal.

As described in the *Initial Comments* and the *October 10 Comments*, IIT's proposal for amendment of the post-transition DTV Table of Allotments would serve the public interest by permitting KTRV-DT to continue to operate with its existing licensed facilities after the conclusion of the DTV transition. Adoption of the proposal would allow IIT to comply with the transition procedures set forth in the Notice of Proposed Rulemaking in the *Third DTV Periodic Review* and would conserve Commission resources.¹

THEREFORE, for the reasons previously set forth in the *Initial Comments* and in the *October 10 Comments*, IIT respectfully requests that the Commission adopt the changes proposed in the *Notice* and amend Section 73.622(i) of its Rules to substitute Channel 13 for Channel 12 as the TCD for post-transition use by KTRV-DT in Nampa, Idaho and to change KTRV-DT's post-transition antenna ID to 28309.

Respectfully Submitted,

IDAHO INDEPENDENT TELEVISION, INC.
