**Re: In the Matter of Stratos Global Corporation and Robert M. Franklin,
Trustee, WC Docket No. 07-73, DA 07-2257**

Dear Ms. Dortch:

Inmarsat Finance III Limited (“Inmarsat Finance”) submits this letter to elaborate on information provided in the Stratos Global Corporation (“Stratos”) submission of October 3, 2007 regarding an aspect of the Facilities Agreement between CIP UK Holdings Limited (“CIP UK”), CIP Canada Investment Inc. (“CIP Canada”), and Inmarsat Finance.

The Facilities Agreement provides, among other things, for Inmarsat Finance to make available to CIP UK a loan facility in the amount of US\$275,000,000 to be used for three purposes: (i) financing the consideration payable to the Stratos shareholders for the Stratos shares (the “Acquisition Amount”), (ii) covering the associated out of pocket transaction costs of CIP Canada and CIP UK, and (iii) covering the costs of the Hedging Arrangements that Inmarsat Finance has entered into to ensure that sufficient funds are available, in Canadian Dollars, under this loan facility, to fund the Acquisition Amount. Facilities Agreement, Section 3.1(a).

The Acquisition Amount, to be made available in Canadian Dollars (*id.* at Section 5.3), is approximately CDN \$293,987,449 (\$7.00 multiplied by the 41,998,207 outstanding Stratos shares). The equivalent U.S. dollar amount is determined by converting the Canadian dollars into U.S. Dollars at the applicable rates under the Hedging Arrangements. Using those applicable rates yields a U.S. Dollar amount of approximately \$260,000,000. Subtracting this sum from the US\$275,000,000 commitment provides up to US\$15,000,000 of “headroom” (if necessary), under that facility for the additional transaction costs and hedging costs described in clauses (ii) and (iii) of Section 3.1(a) of the Facilities Agreement.

Thus, Inmarsat Finance anticipates that CIP Canada will have more than adequate resources available under the Facilities Agreement to consummate the proposed transaction.

Sincerely yours,

/s/
