Re: AT&T Inc. and Dobson Communications Corp Consent to Transfer
Control of Licenses and Authorizations, WT No. 07-153
Notice of Oral Ex Parte Presentation

Dear Ms. Dortch,

On October 30, 2007, Robert Quinn, Joan Marsh and Gary Phillips, representing AT&T, met with John Branscome, Acting Legal Advisor to Commissioner Michael Copps. At the meeting, AT&T discussed the public interest benefits of the proposed license transfers as described in the application filed in the above-referenced proceeding and as further discussed in Applicants' joint opposition. We stressed the importance of expedited action to ensure that the benefits of the transaction can accrue promptly to Dobson subscribers in its largely rural territory. We also requested prompt action on the application so AT&T can position itself to fully meet the demands of the Holiday retail season.

In accordance with Commission rules, this letter is being filed electronically with your office for inclusion in the public record.

Sincerely,

A handwritten signature in black ink, appearing to be "JM", written over a horizontal line.

Joan Marsh
