

To whom it may concern:

What does America stand for? One of the basic freedoms is  
FREEDOM OF SPEECH. When you take that away we become a  
totally "Controlled " society.

Our forefathers wrote a Constitution to give us freedoms as a  
society. Are you going to contribute to making our great America a  
society where people are afraid to say what is in their hearts and  
minds?

Wake up people. I oppose 6 monopolies controlling the news and  
media.
