Dear Mr. Curley,

On behalf of the board of directors of the Jefferson

you for sponsoring a ride by providing admission

PENOBSCOT COUNTY EMERGENCY MANAGEMENT AGENCY

Maine Broadcasters Foundation
69 Sewall Street
Augusta, ME 04330

To Whom It May Concern:

Please find this document as totally supporting the attached request from the United Radio Broadcasters of Eastern Maine (URBEM).

The Penobscot County Emergency Management Agency sees this partnership, this specific endeavor and this organization as a logical answer to the overriding need to provide follow on information to the citizens in this part of Maine once the Emergency Alert System (EAS) has been activated and provided initial notification. Of even more import is the fact that this public/private partnership is exactly what needs to be happening to meet on the ever-expanding horizons in the emergency management arena.

Again, Penobscot EMA is very supportive of URBEM and would ask you to partner with us to make this project a reality. Thank you for your time.

Sincerely,

Tom Robertson, Director

We would like to thank CMP and WMTW Channel 8 for their generous donation of hats and mittens to our school. As the cold weather approaches and the students come to school without hats and mittens these items come in very handy. It was so nice of you to donate them to the Morison Memorial School.

Thanks again,

I see ads about winter kids daily on your station yet I cannot find anything about where to sign up for these discounts on your website. Am I misunderstanding these ads?

I am trying to find more information on this. Can you please tell me where to find it?
