Re: Ex Parte Presentation in MB Docket No. 07-148

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, EchoStar Satellite L.L.C. hereby submits this letter summarizing an ex parte presentation from yesterday in the above-referenced docket. The undersigned spoke with Rick Chessen of Commissioner Copps' office to discuss DTV consumer education efforts and the challenges associated with federal mandates with respect to bill inserts and bill notifications. Specifically, with respect to mandatory bill notifications, we emphasized that a requirement that a separate bill insert be added in addition to a notice on the face of a billing statement, would be redundant, would drive up prices for consumers, and would not be the best way to communicate the message to our subscribers.

Respectfully submitted,

/s/ Linda Kinney
