State Program Narrative

West Virginia
Relay

Introduction

This is an application on behalf of the State of West Virginia submitted by the Public Service Commission of West Virginia to have the West Virginia Telecommunications Relay Service be certified as a Telecommunications Relay Service pursuant to the rules and procedures set forth by the Federal Communications Commission. The State of West Virginia has been certified for the last certification time period beginning July 26, 2003.

Official notices, documentation and correspondence related to this application should be directed to:

David Howell, TRS Contract Administrator
Utility Analyst
Public Service Commission of West Virginia
201 Brooks St.
Charleston, WV 25323
