Re: Advanced Television Systems and Their Impact
Upon the Existing Television Broadcast Service
MB Docket No. 87-268

Dear Ms. Dortch:

On October 26, 2007, Barrington Traverse City License LLC ("Barrington"), licensee of WPBN-DT, Traverse City, Michigan, filed a Petition for Reconsideration of the Commission's Seventh Report and Order in this proceeding. WOOD License Company, LLC ("WOOD"), licensee of WOOD-DT, Grand Rapids, Michigan, filed an Opposition on December 3, 2007. Because of a conflict, it has become necessary for Barrington to retain separate counsel to assist with any reply that may be warranted. To allow its new counsel to review the record and prepare a reply, Barrington respectfully requests a brief extension of time to file a reply until Friday, December 21, 2007. Counsel for WOOD has consented to this request.

Respectfully submitted,

Keith Bland
Senior Vice President,
Technical Operations
