Dear Madam Secretary:

We represent Beach TV Properties, Inc., licensee of WAWD (TV), Channel 58, Ft. Walton Beach, Florida, and permittee of WAWD-DT in that same community.

WAWD-DT is broadcasting pursuant to special temporary authority because it cannot construct its full facilities and thus could not meet the November 18, 2007 use or lose deadline. A further waiver is requested.

WAWD-DT has been informed by its consulting engineer that the station cannot increase its power or antenna height unless it moves to a more suitable site. That site in Navarre, Florida, is suitable and available for use. However, relocating to the Navarre tower would require a waiver of the freeze on new and major change television application. Indeed, this subject was raised by the station's consultant, but the Media Bureau confirmed its no-waiver policy.

When the freeze is lifted, WAWD-DT will be prepared to move to Navarre and assures the Commission that such move will be accomplished without delay. In fact, WAWD understands that its consultant has already completed the initial engineering studies.

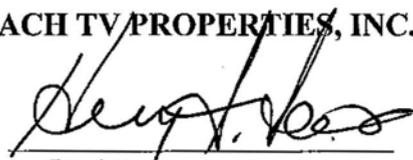

For the foregoing reasons, WAWD-DT respectfully requests a further waiver of the replication/maximization deadline.

Thank you for your attention to this matter. Should you have any questions, please communicate with the undersigned.

Respectfully submitted,

**BEACH TV PROPERTIES, INC.**
