**Re: MB Docket No. 04-233
Notice of Proposed Rulemaking
on Broadcasting Localism**

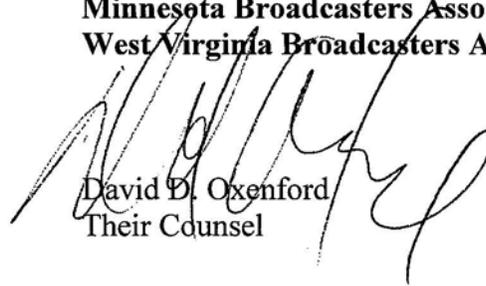

Dear Commissioners:

Earlier today, undersigned counsel filed a letter with the Commission on behalf of the thirty-four named State Broadcast Associations addressing the Report and Notice of Proposed Rulemaking on Broadcasting Localism appearing on the Agenda for FCC adoption at the Open Meeting on December 18, 2007. This letter is to notify the Commission that the Indiana Broadcasters Association, Kansas Association of Broadcasters, Minnesota Broadcasters Association, and the West Virginia Broadcasters Association hereby wish to express their support for this filing, expressing their concern regarding the pending localism item. Accordingly, these four additional State Broadcast Associations join the earlier named Associations in respectfully urging the Commission to table or otherwise reconsider the NPRM

if it indeed contains the provisions that have been reported before its adoption and/or release at the Open Meeting.
